Class number B-550

Filet Lace - Variation on a Heart (AM)
12-hour class
Teacher: Marie Jo Quinault

Filet Lace is embroidery made on a fine knotted net using a long blunt needle. The Linen Stitch is the weaving of the thread, crossing in two directions within the meshes to form a cloth. Realize this love icon for all sorts of applications: a framed lace, a greeting card, a chocolate box, a pin cushion and several ornaments to hang on Christmas or on St. Valentine's day. A choice of alternatives on the theme will be created while you are learning how to read a pattern and the rudiments of the Linen Stitch (the basic stitch in Filet Lace). The class will be given in English and …en Français si nécessaire. Kit fee: $10.00

Kit fee: $10.00 includes pattern with the path & prints, filet net 5, embroidery frame (12" x 12"), thumbtacks to stretch your netting, a filet needle, and gram pearled cotton DMC white. Bring these items from home: a short blunt needle (tapestry no. 16 or longer with a smaller eye and blunt), a dark-colored face towel or fabric (12x12, no prints), small scissors, reading glasses if required, pencil B or HB, eraser, notepad, a metal spoon to push and pull the thumbtacks (no hammer or screwdriver please).
