
Susie Johnson

Susie has been studying Withof for many years with Jeannet van Oord, both in the US and the Netherlands, mastering the new techniques as the lace evolved. Her work and understanding of the lace has earned her a Withof teacher's certificate from Sr. Judith, with whom she studied in the Netherlands. Her Withof has been on exhibition in several countries and has won numerous awards in competitions. She co-edited Withof Duchesse in North America and did all of the technical drawings and instructions for the book. She has been making lace since 1981 and teaching for 20 years, including teaching Withof at IOLI conventions, Hedgehog Lacers Spring Flings, and the Finger Lakes Lace Days in Ithaca.
