No experience required! The box is made in a pyramid shape with an inner tray. Ideal for putting those lovely chocolates in for a gift. Useful for other things too. Some sewing is necessary

Students will need to bring floral fabric (smallish pattern-quilting weight fabric) 20"x44", complimentary lining fabric 9"x44", one piece of a darker shade (preferably plain) 9"x44". Suggest bringing more rather than less just in case of accident. Cutting out scissors, Elmers Glue-All (16 fl.oz size), sewing thread to match outer fabric. Clothespins - the spring type - around 36, sewing scissors, 1/4 yard 2 oz batting.
